## Master of Business Administration

Director: Elizabeth Rozell

Glass Hall, Room 223, Phone: 417-836-5616 Email: <a href="mailto:mbaprogram@missouristate.edu/">mbaprogram@missouristate.edu/</a> Website: <a href="http://mba.missouristate.edu/">http://mba.missouristate.edu/</a>

#### Program description

The Master of Business Administration (MBA) degree is a College of Business degree with courses taken in various departments. The program is specifically designed for students who hold undergraduate degrees in Arts, Science, Engineering, and Law, as well as for students who hold Baccalaureate degrees in Business Administration. The program will provide the background knowledge necessary for professional practice in the field of business. Students with little undergraduate work in business will normally require five semesters to complete the program. Students with appropriate prior academic preparation in business and economics may complete the program in one calendar year.

The MBA is accredited by the AACSB International - The Association to Advance Collegiate Schools of Business.

#### XF Policy

High standards of professional conduct are required for admission to the Master of Business Administration (MBA) program. Prospective graduate students who have been assigned a grade of XF (failure due to academic dishonesty) at Missouri State University (MSU), or the equivalent at another institution of higher education, may be denied admission to the Master of Business Administration program or College of Business graduate certificate programs. Students who have been assigned a grade of XF at MSU, or the equivalent at another institution of higher education, are required to inform the MBA Program Director of such grade at the time of application, even if the X was subsequently removed. Failure to inform the MBA Program Director of this previous XF or equivalent grade will result in removal from the program. A student assigned a grade of XF while studying toward completion of the MBA Program will be immediately removed from the program(s).

#### Admission

Admission to the MBA program is competitive. Applications are reviewed and decisions made on a rolling basis when application packets are complete. Candidates are encouraged to apply early, as seats often fill quickly.

The Program Director looks at a variety of criteria that measure a candidate's potential for being a successful MBA student and business leader. We look at the following characteristics in making admission decisions:

Past academic performance (official transcripts)

- Official GMAT or GRE score\*
- Professional work experience (Resume)
- Admissibility to the Graduate College (details found at <a href="http://graduate/missouristate.edu/futurestudents/Admissions.htm">http://graduate/missouristate.edu/futurestudents/Admissions.htm</a>

\*The GMAT may be waived for candidates who satisfy ALL of the following requirements:

- Earned a 3.25 cumulative GPA
- Admitted to or have graduated from a Missouri State COB business unit major in the past five years OR graduated with a business degree from an AACSB-accredited school in the past five years
- Completed a minimum of 80 hours at the time of application

Meet all English proficiency requirements

To be considered for admission students are required to submit the following\*\*:

- Official Transcripts
- Official GMAT or GRE Scores
- Resume

#### GMAT preparation course

MSU's International Center's English Language Institute offers a GMAT preparation course each semester. For additional information, contact 417-836-6540 or visit <a href="http://international.missouristate.edu/eli/TestPrep.htm">http://international.missouristate.edu/eli/TestPrep.htm</a>.

#### Unclassified admission

Students who meet general Graduate College requirements, but have not fulfilled all requirements to enter the MBA program, may be admitted to the Graduate College as a "Graduate student - unclassified." This status will allow a student to enroll in an absolute maximum of 9 graduate hours before being fully admitted to the MBA program. All courses at the 600-level or higher are considered graduate hours.

#### Computer application competency

Students entering the Master's of Business Administration program are expected to be proficient in the use of word processing, database, and spreadsheet software. No coursework is required to fulfill this criterion. Knowledge derived from professional or personal experience will qualify. If a student feels that he or she does not have the necessary base of knowledge to fulfill this requirement, there are various resources available on campus, such as self-paced tutorials and hands-on programs that would be helpful to increase computer knowledge and experiences.

#### International applicants

Applicants from foreign countries whose native language is not English are required to submit scores on the Test of English as a Foreign Language (TOEFL). Visit <a href="http://international.missouristate.edu/services/70308.htm">http://international.missouristate.edu/services/70308.htm</a>.

#### English Language Institute

The English Language Institute (ELI) began classes in June 1996 with five students. Since that time, the program has experienced continued growth and now serves more than 150 students, most of whom are preparing for study in undergraduate or graduate programs at Missouri State University. The ELI offers five levels of study in core areas of writing, grammar, reading/vocabulary, academic listening skills, and speaking pronunciation classes. Through an intensive twenty-five hours per week, students have the opportunity to prepare for the language challenges of American classrooms. The focus of the English Language Institute, therefore, is to equip ESL students with the necessary language skills to achieve success in the degree program of their choice and to enhance their potential for future employment after graduation.

For more information, please contact: Director, English Language Institute, 301 S Jefferson, Springfield, MO 65806, USA, Phone 417-836-6540, Fax 417-836-4784, email <u>JaneRobison@missouristate.edu</u> or <u>ELI@MissouriState.edu</u>. You may also visit the ELI Website at <a href="http://international.missouristate.edu/eli.">http://international.missouristate.edu/eli.</a>

#### Foundation courses

The MBA program requires 18 hours of foundation courses. This foundation is composed of the following six graduate-level courses which are designed to provide accelerated coverage of the knowledge base necessary for students to benefit most from the MBA curriculum:

Course	Course Title	Credit

Graduate Certificate in Entrepreneurship
Graduate Certificate in Finance
Graduate Certificate in Financial Analysis
Graduate Certificate in International Business

#### 3. Research

Students are expected to demonstrate research and writing proficiency appropriate to the business environment. Significant written projects are required within each of the core courses. In lieu of the required seminar course and one other course from the area of concentration, a student may complete a thesis for 6 hours of credit.

## Accelerated Master's Degree option

Undergraduate majors in the College of Business may apply for admission to the Master of Business Administration program during the second semester of their junior year. If accepted, up to 6 hours of 600- or 700-level COB classes taken in the senior year may be counted toward both the undergraduate and graduate degrees.

Before enrolling in a course that will apply to both the undergraduate program and the master's program, an undergraduate student must:

- Be accepted into the accelerated program.
- Receive prior approval from the graduate advisor, department head of the undergraduate program, and the Dean of the Graduate College. This is done by using a mixed credit form.

Acceptance into the program and all approvals must be completed prior to the end of the Change of Schedule Period for the course(s). See the Graduate College for further information.

#### Admission requirements

Completion of 80 or more hours at time of application

- An overall GPA of 3.00 or better
- A score of 450 or better on the Graduate Management Admissions Test (GMAT) or meet the requirements for a GMAT waiver (see Admissions Requirements for MBA Program).

#### Executive MBA option (EMBA)

When offered to a select group of students, typically a cohort, with significant business experience, the MBA Program may be presented in a format referred to as the Executive MBA Option or the EMBA. From a curricular viewpoint, the EMBA would be structured in the same way as the traditional MBA, however, the presentation format of core and elective courses will be designed in such a way as to maximize the benefit to working business professionals.

GMAT/GRE scores are not required for admission to the EMBA, however, the applicant would need to provide documentation verifying at least 5 years of business experience.

For EMBA students, prerequisite requirements for the core program courses can be satisfied through appropriate prior coursework, relevant business experience or by an individualized study program developed and supervised by the EMBA Program Director.

The credit hour costs for classes taken by students enrolled in the EMBA program are assessed at a higher rate than the traditional MBA offerings due to additional expenditures associated with the program.

#### Admission Requirements

Completion of a regionally accredited undergraduate degree.

1. Completion of 5 or more years of business/professional experience.

#### Academic standing

A student who fails to attain a 3.00 GPA after completing the approved program may enroll for additional course work not to exceed 6 semester hours to raise the GPA. The course work will be approved by the Director of the MBA Program and the Dean of the College of Business.

The maximum class load for a full-time student is normally 12 hours per semester. An overload is permitted only after students have demonstrated their ability to achieve an outstanding graduate record at this university. Students employed in a full-time job should not enroll for more than 6 semester hours.

All other University and Graduate College requirements governing grading and attendance will apply.

To enroll in graduate courses in the College of Business, a student must satisfy one of the two conditions listed below:

- 1. be admitted to a graduate program in the College of Business, or
- 2. have permission to enroll from the Director of the MBA Program.

Students who do not meet one of these two conditions will be dropped from the course(s) at any time during the session involved.

#### 2. Other Requirements - 9 hours\*\*

Seminar (A Seminar Course is required) - 3 hrs

Most students will select from CIS 790, FIN 790 or FIN 787), MGT 790, MKT 790 (or MKT 770), although other courses may be acceptable.

Elective Options - 6 hours:

In consultation with the MBA Director, students will select six hours of elective courses. Many students will choose to complete a COB Graduate Certificate in conjunction with their MBA, as most COB Graduate Certificates do not require additional coursework outside the 33 hours required for the MBA.

The COB Graduate Certificates that are available are:

Graduate Certificate in Computer Information Systems
Graduate Certificate in Cybersecurity
Graduate Certificate in Entrepreneurship
Graduate Certificate in Finance
Graduate Certificate in Financial Analysis
Graduate Certificate in International Business
Graduate Certificate in Leadership
Graduate Certificate in Management
Graduate Certificate in Marketing

\*\* No more than 6 hours of 600-level courses may be applied to the degree program.

#### 3. Research

Students are expected to demonstrate research and writing proficiency appropriate to the business environment. Significant written projects are required within each of the core courses. In lieu of the required seminar course and one other course from the area of concentration, a student may complete a thesis for 6 hours of credit.

#### Accelerated Master's Degree option

Undergraduate majors in the College of Business may apply for admission to the Master of Business Administration program during the second semester of their junior year. If accepted, up to 6 hours of 600- or 700-level COB classes taken in the senior year may be counted toward both the undergraduate and graduate degrees.

Before enrolling in a course that will apply to both the undergraduate program and the master's program, an undergraduate student must:

- Be accepted into the accelerated program.
- Receive prior approval from the graduate advisor, department head of the undergraduate program, and the Dean of the Graduate College. This is done by using a mixed credit form.

Acceptance into the program and all approvals must be completed prior to the end of the Change of Schedule Period for the course(s). See the Graduate College for further information.

#### Admission requirements

. Completion of 80 or more hours at time of application

- An overall GPA of 3.00 or better
- A score of 450 or better on the Graduate Management Admissions Test (GMAT) or meet the requirements for a GMAT waiver (see Admissions Requirements for MBA Program).

#### Executive MBA option (EMBA)

When offered to a select group of students, typically a cohort, with significant business experience, the MBA Program may be presented in a format referred to as the Executive MBA Option or the EMBA. From a curricular viewpoint, the EMBA would be structured in the same way as the traditional MBA, however, the presentation format of core and elective courses will be designed in such a way as to maximize the benefit to working business professionals.

GMAT/GRE scores are not required for admission to the EMBA, however, the applicant would need to provide documentation verifying at least 5 years of business experience.

For EMBA students, prerequisite requirements for the core program courses can be satisfied through appropriate prior coursework, relevant business experience or by an individualized study program developed and supervised by the EMBA Program Director.

The credit hour costs for classes taken by students enrolled in the EMBA program are assessed at a higher rate than the traditional MBA offerings due to additional expenditures associated with the program.

#### Admission Requirements

Completion of a regionally accredited undergraduate degree.

2. Completion of 5 or more years of business/professional experience.

#### Academic standing

A student who fails to attain a 3.00 GPA after completing the approved program may enroll for additional course work not to exceed 6 semester hours to raise the GPA. The course work will be approved by the Director of the MBA Program and the Dean of the College of Business.

The maximum class load for a full-time student is normally 12 hours per semester. An overload is permitted only after students have demonstrated their ability to achieve an outstanding graduate record at this university. Students employed in a full-time job should not enroll for more than 6 semester hours.

All other University and Graduate College requirements governing grading and attendance will apply.

To enroll in graduate courses in the College of Business, a student must satisfy one of the two conditions listed below:

- be admitted to a graduate program in the College of Business, or
- 4. have permission to enroll from the Director of the MBA Program.

Students who do not meet one of these two conditions will be dropped from the course(s) at any time during the session involved.
